

# Port Plaza Uses

Your Port of Olympia Commissioners have identified four primary areas of use for Port Plaza:

## Commercial Use

The commercial use of the Plaza by individuals or organizations for profit.

## Non-Profit Community Use

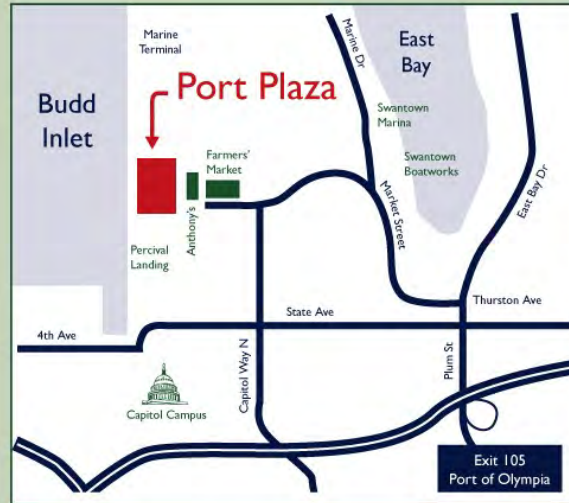

The commercial use of the Plaza by individuals or organizations that have obtained a non-profit status as defined by the U.S. Internal Revenue Service. (Included in this category are community events, activities, exhibits, and displays sponsored by cultural, historical, and educational organizations or affairs of state.)

## Individual or Family Events

The use for the Plaza for individual personal and family functions such as weddings, receptions, birthdays, anniversaries, and wakes.

## Expressive Activity

First Amendment activities, which include political petitioning, picketing, assembly, political rallies, and other free speech activities.
